

## NOTES FOR POSTER PRESENTERS

Thank you for presenting a poster at QPR2016. Without you, the conference simply would not happen.

1. At this year's QPR, instead of have physical posters, posters will be shown electronically on screens throughout the conference venue and across all three days of the event. This will have the benefit of giving the posters a much greater prominence than is usually the case.
2. In order for us to format your poster, would you please let us have a copy of your poster (by email to Lea McBride at [lea.mcbride@adelaide.edu.au](mailto:lea.mcbride@adelaide.edu.au) ) using the following dimensions by Thursday 14 April 2016. Posters can be either portrait or landscape in orientation.

3. During the conference there will opportunities for you to meet with delegates to discuss your poster.
4. Papers for the refereed conference proceedings will be formally called for later with a submission date of 1 June 2016. Poster presenters are welcome to submit papers based on their posters for inclusion.
