

Workshop program

Building a pipeline of Indigenous researchers

When: 17 April 2024, 2pm–6pm ACST

Venue: The Bradley Forum, Level 5 of the Hawke Building,
50–55 North Terrace, University of South Australia, Adelaide

Purpose: This workshop focuses on ways institutions can encourage and support growing the Indigenous research workforce through identifying key challenges and opportunities and through sharing of best practice within the sector.

Key intended takeaways from the workshop are that participants have a clear understanding of the barriers to growing the pipeline of Indigenous researcher, and ideas for driving improved practices within their institutions.
